Dear Priests, Deacons, Religious, and Lay Faithful of the Diocese of Richmond,

I am pleased to announce the establishment of our new Deanery structure which will replace our former LPA (Local Planning Area) structure effective today. The Deanery structure is one that the church has long had in place and is recommended to bishops to assist him in his role of governance in accord with canon 374 #2 of the Church’s law. Every parish, Catholic school, and campus ministry will now be assigned to a Deanery.

Additionally, I have appointed one pastor from each Deanery, known as a Dean or Vicar Forane, to provide support to the priests and lay faithful of his Deanery and to act as a liaison between the activities of his Deanery and the Bishop. Each Dean will serve for three years with an effective start date of November 1, 2018. The list of Deaneries and Deans is included on the subsequent pages and is available on our diocesan website. This letter, with its attachments, is my official decree establishing this new structure.

I am hopeful that this new structure will provide a mechanism by which local parishes, schools, and campus ministries can increase their collaborative efforts to best use our limited resources. Through the leadership of the Dean, I am confident that pastoral care for those on the peripheries found in places such as hospitals, prisons, and nursing homes can be further enhanced through stronger coordination and support. Furthermore, I will count on each Dean to identify members of the lay faithful in their Deanery who can consult on a variety of regional and diocesan priorities.

My desire is that, through this new Deanery structure, I will have a closer connection to the ministry of our nearly one hundred and fifty parishes and missions across our vast Diocese. I am grateful for the Deans who have accepted this additional responsibility to help more closely unite our diocesan church.

God bless you and thank you for your faithfulness.

Sincerely in Christ,

Most Reverend Barry C. Knestout
Bishop of Richmond
